Good day Mbuyiseni,

I trust this finds you well.

I'm doing research on the VBS matter.

It came to my attention that:

1. Brian Shivambu is Floyd Shivambu's brother;
2. Brian received R16,1m in the VBS matter;
3. Some of the money was deposited into Floyd's bank account;
4. The EFF received more than R1million in the VBS matter.

My questions to the EFF:

1. Considering your stance on Nhlanhla Nene, will you ask Floyd Shivambu to resign from his position in the EFF;
2. Will you cancel Brian Shivambu's membership tot he EFF;
3. What amount was paid to Floyd, and when?
4. List the exact amounts and dates as well as the reason for which the sum totalling more than R1million was paid into the EFF account.

Kindly return your answer by tomorrow, 11 October at 12:00.

regards,
Pauli
